Sir:

The undersigned is an Attorney of Record in the above-identified application.

Lyondell Petrochemical Company is the owner of the entire right, title and interest in and to the invention claimed and disclosed in the above-identified application by virtue of assignment.

Assignee hereby disclaims the terminal part of any patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term as presently shortened by any terminal disclaimer of Patent No. 5,637,660, and Assignee hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to United States Patent No. 5,637,660. This agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors and assigns.

Assignee does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term as presently shortened by any terminal disclaimer of Patent No. 5,637,660 in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The Commissioner is authorized to charge the fee for this Terminal Disclaimer as well as credit any overpayments, to Deposit Account No. 01-2230. A duplicate of this request is enclosed for that purpose.

Respectfully submitted,

**NAGY ET AL.**
